

4Post™ Locker

The 4Post™ Locker is a unique personal storage solution for use in locker rooms or common areas. Choose from various accessories to make the lockers fit your needs.

- Durable steel construction
- Various accessories to personalize the locker to fit the specific needs of users, including shelves, hooks, and even interior locking boxes for extra security
- 4Post™ upright design allows flexibility to move components around inside the cabinet
- Locking drawer and doors
- Louvered design for maximum airflow without sacrificing privacy or security
