- :: Standard double panel door
- :: Continuous piano hinge for streamlined look
- :: Powder coat finish
- :: Three-year warranty

CORRIDOR LOCKER

CORRIDOR **REBEL™**

Unlike competitors' Knock Down options, this untraditional locker keeps costs in check without compromising an ounce of CSM's strength. Made from all welded domestic cold rolled steel, it's a tough—but economical—solution for corridor storage.

Locker Construction

- 90° All welded locker for maximum durability
- No bolts, screws, or rivets used in assembly of locker unit
- Continuous door strike on both latch and hinge side
- Standard flat top

Configurations

- Available in one-, two-, or three-tiered options
- 12" or 15" widths and depths available
- Overall height options: 60" or 72"

Doors

- Formed doors include CRS vertical stiffener panels
- Solid or louvered ventilation providing 7% ventilation per square inch of ventilated pattern
- Single point latch with slammable features
- Flush mounted stainless steel cup

Hinges

- Continuous piano hinge
- Hinges welded to door and riveted to locker body

Slope Tops

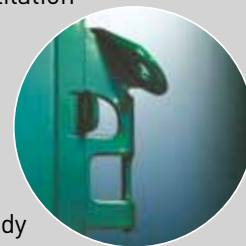

- All welded slope top with 25 degree pitch available

Closed Base

- All welded, 4" high steel base securely welded to locker bottom available

Accessories

- Double ceiling hook of heavy duty forged steel standard; additional hooks are available
- Each locker is equipped with a polished aluminum number plate with etched black number

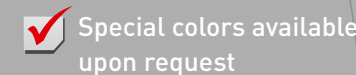

Standard Rebel Finishes :: Powder coat finish with 2-3 mil cured thickness

IT'S THE WAY WE DO BUSINESS

For generations, California Space Management, Inc. has worked hard to be the first choice for storage solutions. We understand the importance of providing top quality at the best value. Sure it sounds good, but it's just the way we do business. In fact, it's the way we've done business for more than 30 years.

Throughout the industry, we're known for providing the highest security, lowest maintenance lockers. And we stand behind our products, which hold the industry's greatest satisfaction guarantees.

Built to Outlast Your Students

CSM offers a variety of economically engineered options to fit a range of needs, from standard products to specific, custom configurations.

Our all-steel lockers are environmentally friendly, easy to maintain, and guaranteed for life. Plus, we offer a variety of custom sizes, looks, security features and finishes.

Whether it's athletic, academic, or specialty lockers, we can design a storage unit to fit your needs. Our products are the best and our service is unsurpassed.

- :: Durable, all-welded construction
- :: Models to meet all your locker needs
- :: Maximum security with proven latching systems
- :: Variety of options for specific, customized needs
- :: Welded, easy-to-install units
- :: Low maintenance
- :: Lifetime Limited Warranty
